I'm a
I'm a
I'm a
I'm a
I'm a
I'm a
I'm a dreamer

Love, Life and Laughter
Is all I believe
my saviour is pure now
because my lonely heart would bleed
I never learned how to hold love
And stay strong to love
Now I close my eyes now
And I'm dreaming right where I belong
Oh Oh Oh

Here we lie all alone, am I dreaming
Your heart's smooth, my soul's unbelieving
Now you see the me and I'm a-feeling
I'm a-feeling
I feel your hands, your lips, the heat of your body
Whisper you love me (Say you love me)
Please love me, darling never leave me
Repeat x1

I'm a dreamer Oh Oh Oh Am I a dreamer Am I a
dreamer huh yeah
(Repeat verse & chorus)
Am I a dreamer
Am I, Am I a dreamer(x8)
