I waste away  
I waste away  
Woe is me  
The treacherous betray

Heavens silence  
Trumpets sound  
Peals of thunder  
Flashes of lightning  
The lamb upon the altar  
I fall down

The moon will be disgraced  
The sun ashamed  
For on Mount Zion  
In Jerusalem  
The Lord of hosts  
God almighty will reign

The light of Israel  
Will become a fire  
Their holy One, a flame  
It will burn and consume  
His thorns and briars  
In a single day

Praise our God  
All you his servants  
You who fear Him  
Both small and great

Praise our God  
Give him glory  
For the Lord God almighty reigns  
And the wedding of the lamb has come  
And the bride has been made clean  
Death, where's your victory?  
Death, where's your sting?

Hallelujah, Hallelujah  
Can you hear the heavens roar?  
Hallelujah, hallelujah

This is the day of the Lord
