Oh God, You are my God
Earnestly I will seek
My soul thirsts for You
My body longs for You

All that I am is for Thee
On my bed, I will remember You
I think of You through the night
Every morning it's You who awakens me
You are the reason I rise

And what can I say
To the One whose name
Brings me to my knees
Satisfy me, oh, I hunger, I crave
Of Your wonders I cannot speak

O comfort, You are my comfort
Savior hear my cry
Ever so sweetly, whisper discreetly
Stay here with me through the night

And what can I say to the One whose name
Brings me to my knees
Set me on fire, consume with flame
Just bring me near to Thee

Be my light and my salvation
By His might
I'm alive, I'm alive, I'm alive
Be my light and my salvation
By His might
I'm alive, I'm alive, I'm alive

And though the earth give way
And the mountains fall
Into the heart of the sea
I will not be afraid
My God, my joy and my everything
