Have you ever doubted what you're made of?  
Have you ever fed your fears  
Have you ever seemed disconnected?  
Has your laughter ever turned to tears?  
It's alright, it's alright  
You're not the only one  
Have you ever made a silly faux pas?  
Or kissed another dream goodbye?  
Have you ever found out when time ran out  
You needed one more try?  
Yeah, yeah, yeah  
(Chorus)  
Oh yeah, it's okay, God'll bring in a brand new day  
Another chance, another choice  
Another hope, another possibility  
All right, Ok, no more time for yestreday  
Open your eyes and you'll find  
It's a new day  
So wake up, wake up from your bad dream  
Ooo, you gotta clear your head  
There is opportunity knowcking  
When you're hangin by a thread  
It's alright, a new sun's gonna rise  
Oh yeah, come on!  
(Chorus)  
No more fear, it's a new day  
No more worry, it's a new day  
No more doubt, it's a new day  
Just believe it, it's a new day  
It doesn't matter where your life has been  
Put your trust in Him  
And let a new day begin, come on!  
(Chorus)  
Alright, okay  
Don't you worry about yesterday  
It doesn't matter what you've done wrong  
It's gone, gone, gone, gone gone  
Everything's gonna be alright  
Another chance, another try  
Open your eyes cause the sun is about to shine  
Open your eyes and you'll find...  
It's a new day, come on!

It's a new day, it's a new day  
It's a new day, come on, come on  
It's a new day, come on!
