One of Those Days

written by Joy Williams & Jeremy Bose

Don't ask me how I'm doing if  
you don't wanna know  
I Stayed up too late woke up late oh you know how it  
goes  
Give off the vibe everything's fine  
As long as you, long as you just don't look  
in my eyes

It's all going just so perfectly  
wrong!

Hey ey ey ey  
What can I say  
It's just been one of those  
One of those days  
Hey ey ey ey  
what can I say  
It's just been one of those  
One of those days

It's all mine this kind the life of hurry up  
and wait  
Too many things to do, to lose it gets a little insane  
Too much crazy in 24 hours  
So many bills, too little frills, and not enough flowers

What I wouldn't give for a minute to myself  
!  
Hey ey ey ey  
What can I say  
It's just been one of those  
One of those days  
Hey ey ey ey  
what can I say  
It's just been one of those  
One of those days

Ah ah ah!

Hey ey ey ey  
What can I say  
It's just been one of those  
One of those days  
Hey ey ey ey  
what can I say  
It's just been one of those  
One of those days

It's all going just so perfectly  
wrong!
