I don't know how to say goodbye  
I'm trying not to cry  
We were so special  
Can you remember

But I don't believe in holding on  
Can love like this be wrong  
My heart is breaking  
Watching you walk away from me  
Is this the way good bye's supposed to be  
(I will be your shelter)

(When the rain begins to fall)  
(You wake up and he's gone)  
In spite of heartbreak  
Love lives after all

(When there's nowhere else to run)  
(And you've all but given up)  
And when there's no one left to care  
Just believe in love and I'll be there

(Ooh... ooh... ooh...)  
(I'll be there, yes, I will)

And now with all the sacrifice  
My thoughts of you  
From night fall to the sunrise (To the sunrise)  
There'd be days when I'd cry

Knowing that it's useless to resist  
(Can love be more than this)  
I prayed forever (Forever and ever) {And ever}  
And forever is a long time to believe  
That there'd be one more chance for you and me  
(I will be your shelter)

(When the rain begins to fall)  
(You wake up and he's gone)  
In spite of heartbreak  
Love lives after all

(When there's nowhere else to run)  
(And you've all but given up)  
And when there's no one left to care  
Just believe in love and I'll be there

I'm just a telephone call away  
You can call me any day  
And when there's no one left to care  
Just believe in love and I'll be there
