I don't want you, Baby  
I don't need you lately  
Love is ever-changing  
And I think you're crazy

Oooh, Girl, I've got to  
Let you, let you, let you go

Let me touch your daisy  
Give me what I can't be  
Let tomorrow face me  
Love me, kill me, change me

Oooh, Girl, I've got to  
Let you, let you, let you go

(Ooooooh oooooh)  
I'm a jumper, Baby  
Mama don't forsake me  
Madness can't contain me  
If you love me, chase me

Oooh, Girl, I've got to  
Let you, let you, let you go  
Girl, I've got to  
Let you, let you, let you go!

Oooh, Girl, I've got to  
Let you, let you, let you go
