I don't wanna have to learn the hard way
I don't wanna fall along the side
while I keep on learning at this good race
I will testify

I just wanna listen to you heart beat
tell you're people you're still just alive
there ain't nothin' sweeter than you mercy
I will testify... well it's all for you

i don't wanna keep on livin' my way
I don't wanna keep on keep on livin' life
I don't wanna wait until it's to late
I will testify

I just wanna listen to you heart beat
tell you're people you're still just alive
there is nothin' sweeter than you mercy
I will testify... well it's all for you

it's all for you

gonna do it all for you

I don't wanna have to learn the hard way
I don't wanna fall along the side
while I keep on learning at this good race
I will testify

I just wanna listen to you heart beat
tell you're people you're still just alive
there ain't nothin' sweeter that you mercy
I will testify... it's all for you

gonna do it all for you
gonna give it all for you
gonna do it all for you
