If I was beautiful like you  
Oh the things I would do  
Those not so blessed would be crying out murder  
And I'd just laugh and get away with it too  
Like you do

If I was beautiful like you  
I would never be at fault  
I'd walk in the rain between the rain drops  
Bringing traffic to a halt  
But that will never be  
That will never never be  
Cause I'm not beautiful like you  
I'm beautiful like me  
Beautiful like me

If I was beautiful like you  
I'd be quick to assume  
They'd do anything to please me  
I know I see the reaction when you walk into a room  
But that will never be  
That will never never be  
Cause I'm not beautiful like you  
I'm beautiful like me  
Beautiful like me  
Beautiful, Beautiful like me  
Like me, like me

If I was beautiful like you  
I'd have so many friends  
Always fighting for my time to be next in line  
So if I hurt one I wouldn't have to make amends  
That will never be  
That will never never be  
Cause I'm not beautiful like you  
I'm not beautiful like you  
I'm not beautiful like you  
I'm beautiful like me  
Beautiful like me  
Beautiful like me  
I'm beautiful like me  
I'm beautiful like me
