Verse

I know a place I can always run to
In times of distress confusion and fear
When my enemy surrounds me
I know I'm safe, for you keep me
And hide me in the shadow of your wings
I know a place I can always run to
In times of distress confusion and fear
When my enemy surrounds me
I know I'm safe, for you keep me
And hide me in the shadow of your wings

Chorus 2x

In the shadow of your wings
I know I am safe
In the shadow of your wings
I find relief, for you hold me
You will hold me and guide me
