CHORUS:

Come on and do it do it
Do it 'til you're satisfied
Whatever it is.
Do it do it 'til you're satisfied
Come on and do it do it
Do it 'til you're satisfied (Whatever it is)
Do it do it 'til you're satisfied.

Some people know just what they're tryin' to do
Whatever it is you've got it
As long as it pleases you
Make it last as long as you can
And when you're thru' it's up to you.
To try it again.

I'm satisfied, I'm satisfied

Everybody knows what they've got to do
Whatever it is
As long as it pleases you.
Just take some time
And relax your mind then
Do it do it do it 'til you're satisfied
