Your attitude is wearing me thin
You complain so much it should be a sin
You're everybody's little pet peeve
Why don't you understand... just leave!

CHOURS:

Get Lost

Don't want to see your face no more X 2

Get Lost

Let me show you to the door

Ohh, Get Lost!

Your cryings really getting old
And your mouth this never closing hole
Don't want to hear any more of your lies
Can't wait for you to say Goodbye!

CH

M-8:

When will you realize you're to blame
For all the problems and all the pain
You're encroaching in my space
So just get lost and get outta my face!

SOLO (CH)

Your attitude is wearing me thin
You complain so much it should be a sin
You're everybody's little pet peeve
Why don't you understand... just leave!

CH x 2
