You were the bright young thing
Till you took a little sting of Victorian
Then it spread like a slick
Made your frozen heart tick
So you passed it on
But I'm alright ma, I'm alright ma
So I kick around town
See who's up and who's down

I hear you're trapped again
And you're straight on the bends
But you'd bend to be straight
Cos you're your only friend

But I'm alright ma
I'm alright ma
I'm alright ma

Turn on the TV and what do you know?
Thank God, the new god, remote control

Guess you had it sussed out
'Cause you filled me in
When I was young as semen
You say your world's gone cold
I'm stood here breaking the mold
I get this feeling, that I'm alright ma
I'm alright ma, I'm alright ma

Dad swears and mum don't care cos she knows
No-one hears her when her eyes are closed
Did you get what you want
Is your television keeping you happy?

Guess you had it sussed out
'Cause you filled me in
When I was young as semen
You say your world's gone cold
I'm stood here breaking the mold
I get this feeling, that I'm alright ma
I'm alright ma, I'm alright ma
I'm alright ma
