I had the best intentions.. yeah honestly
I paid attention
I'm a loose connection.. some promise me
A soft injection
A shallow feeling
Defies meaning
I need a holiday
To blow you all away
Lose all the stiffs in my parade
I need a holiday
A nuclear holiday
Just go anywhere, I'll stay

Fell on the outside
Where giving in comes in like the tide
And everybody's shining
Perfecting moments in timing

A shallow feeling
Defies meaning
I need a holiday
To blow you all away
Lose all the stiffs in my parade
I need a holiday
A nuclear holiday
Just go anywhere, I'll stay

If I talk your talk the words I say
Come back around a different way
The end is just a breath away
If you ain't got a weapon then you'll never get a say

I need a holiday
To blow you all away
Lose all the stiffs in my parade
I need a holiday
A nuclear holiday
Just go anywhere, I'll stay
I need a holiday
A nuclear holiday
Lose all the stiffs in my parade
I need a holiday

A nuclear holiday
Just go anywhere, I'll stay
