Is this success?  
Tuesday night and penniless  
Sign on  
Chill out  
Skin up  
In life, I'm damned  
Forgone, I am  
It's your shout  
This is like Hollywood

All front, No depth, No good  
I'd run, I wish I could

This is my Hollywood  
Too blind, not me  
I've seen the scenery  
You're not, I am  
Palm trees, blue skies  
Blown out, snake eyes  
Is this too much too understand?

This is like Hollywood

All front, No depth, No good  
This is my Hollywood  
I'd run, I wish I could

Who want's to live in Hollywood?  
This is like Hollywood  
I don't think I could...  
You like to think you live in a world so good

All front, No depth, No good  
This is my Hollywood  
I'd run, I wish I could  
This is my Hollywood  
This is my Hollywood  
This is my Hollywood  
This is my Hollywood
