

Adam & Andrew "Hug The Police"

Visit "[Hug The Police](#)" on MotoLyrics.com

Hug the police all day and all night
Protect and Serve ya thats pretty fly
They got guns, a badge, mase, and hand cuffs
What they dont got is tolerance for injustice

I know have the right to remain silent
But my respect for police is too much to keep quiet
So everyone come out with your hands up
And raise the roof to show cops some love

After they get done fighting crime
They get to go home and bang their wives
But if dinners not there that bitch is gonna fall
Cause a player gets hungry when hes defending the
law

So hug the police
hug the police that's what you gotta do you gotta
hug the police
hug the police or I'll fuckin kill you

911 there's a man next to my house and hes looking
suspicious
Are you white?
Ya
We'll be there in 5 minutes.
They read him his rights and I was a witness
The taste of justice is crazy delicious

A drug dealer caught, man your freedoms expired
And if you run, you'll only get to jail tired.
A repeat offender, you must be a thug
Or like the feeling of cops searching your body for
drugs

If you can't afford a lawyer, we'll one we can supply
We'll get you the dumbest ass lawyer the state can
provide
Then you'll go to jail, its like a hotel or estate
But instead of room service you have to service your
cell mate

hug the police
hug the police cause they're doing what's right you
gotta
hug the police
hug the police gotta hug them real tight

hug the police
hug the police cause they're red white and blue
hug the police
hug the police or I'll fuckin kill you

Bang Bang Bang - Police Hatin' Biotch
