\*Don't player hate on me. play- player hate on  
somebody else\*

Yo. yo yo. I'm-i'm a gangster. where're my dogs at?  
bark with me if you're my dog.yo yo yo. i'm going- i  
wanna give a shout out to all the player haters!

\*you don't like player haters\*

um, if you're a player hater dont player hate on me.

\*player hate somewhere else\*

i'm a gangster. i'm straight up.

i'm a gangster, i'm a straight up G. the gangster life is  
the life for me. shooting people by day, selling drugs  
by night, being a ganster is hella tihgt. i walk around  
town with a stark erection, and gave your mom, a yeast  
infection. i saw the policeman and i punched him in the  
eye. to serve & protect, what a lie!

i also dont like white people, you shouldn't, too. and  
dont get me started, about the jews. i'm a gangster,  
grr i'm mad. i'm a gangster, my rhymes are bad. i'm a  
gangster, i'm iced out like a freezer, i'm a gangster, i  
dont listen to weezer.

i dropped out of school at the age of 3

\*why?\*

cuz all the teachers tried to player hate on me. my  
rhymes are cool, just like doing cocaine. my rhymes  
are hot, like a burning flame

cisco is my homie, he's a gangster, too. me and cisco  
are the leaders of the gangster crew. i like to be in jail  
and he likes to sing and dance. some say we're the  
perfect match.

\*step off! step back! step awaay! step back!\*

i also wanna-

\*don't step forward, step BACK! step back!dont step forwards,step backwards! backwards! don't step to me! do not step to MEEEEEEEE!\*

i'm givin a shout out to my homies in cell block 8. being in jail sucks because you always have to masturbate. except when a jewish person goes to jail, all my homies cheer. they will make mincemeat out of his rear. ben petty helped me make the gangster beat to this song. i shot him in the face cuz he looked at me wrong.

i'm a gangster, i drop bombs like hiroshima, i'm a gangster, bitch suck on my weiner, i'm a gangster, i drive a cool car, i'm a gangster, i smoke weed in a cigar. yo. my gangster flow. yo. yo yo yo.

i'm rolling on dubs, like ice hockey. i got kicked out of japan for drinking all the saki.f\*\*\* a b\*\*\*\*\*, gimme head, ho. whats up to my dogs? yo yo yo. they play this song on the radio all day long, so everyone can hear my gangster song.

no body thought i'd blow up like a winter snow tire.oh there's no beat left!
