"Back It Up"

I can't stop shaking
The room has a groove and the floor
It's almost earthquaking
Uhuh

Look what we're making
History out on the floor
And it's just awaking
Uhuh

Refrain2:
So get that needle in the core
Scratch that back and gimme more
You know exactly what I came here for
Back it up and do it again

Refrain:
From the middle to the top to the end
Ba du da dun doday
Ba du da dun doday
Back to the middle to the front to the end
Za du da dun doday
Everybody ba dun doday
I don't care if he's a friend
From the front to the middle to the back to the end

I wanna
Back, back, back, back it up
Back it up and do it again

Gimme some of that funky
The kind that the Duke used to play
And make it more swingy
Heyhey

And then give me some hornay
You know the bub-pu-pa bub-pu-pa-bay
Come on, give it to me
Hmmm hmmm

Slam that bass and make it sing

Give those strings that rip 'n zing
You know exactly what I came here for
Back it up and do it again
