Greetings and felicitations
Children of technology

Drool dripping out, my tongue hanging south
Saliva flowing free
My eyes full of lust, my balls gonna bust
You'll give yourself to me

Thirst I can't quench, c'mere you wench
There's something that I need

Carnivore, I'm a meat eater
Carnivore, I'd like to meet ya
Carnivore, I know I'll reach ya
Carnivore

The hunger I feel makes you a meal
Oh girl, you sure taste sweet
By my hair pull me there
Oh, guide me to your treat

Spread your legs, I'll seed your eggs
Oh, feel me deep

Carnivore, I'm a meat eater
Carnivore, I'd like to meet ya
Carnivore, I know I'll reach ya
Carnivore, oh, I'd love to eat ya

Oh, I'm going down
Dive, dive

Oh, come on

Lick me she begged, she pulled down my head
I'd love to eat pussy
A taste so fine like sweet April wine
I won't trade for any money

Did you come?
I eat and run, I live for sodomy

Carnivore, I'm a meat eater
Carnivore, I'd like to meet ya
Carnivore, I know I'll reach ya
Carnivore

Carnivore, I'm a meat eater
Carnivore, I'd like to meet ya
Carnivore, I know I'll reach ya
Carnivore, oh, I'd love to eat ya
