Manic depression is touchin' my soul
I know what I want but I just don't know how to heh!
Go about gettin' it
Feelin' sweet feelin' drops fom my fingers
Manic depression is a catchin' my soul yeah

Woman so weary the sweet cause in vain
You make love you break love it's all the same when it's
When it's over
Music sweet music I wish I could caress caress caress
Manic depression is a frustrating mess!
Well I think I'll go turn myself off and go on down all the
way down
Really ain't no use in me hangin' around in your kind-a
scene
Music sweet music I wish I could caess and a kiss kiss
Manic depression is a frustratin' mess!

Music sweet music sweet music sweet music
Music sweet music sweet music yeah
