Love, can't you see Im alone
Cant you give this fool a chance
A little love is all I ask
A little kindness in the night
Please don't leave me behind
No don't tell me love is blind
A little love is all I ask
And that is all
Ooh love, Ive been searching so long
Ive been searching high and low
A little love is all I ask
A little sadness when you go
Maybe you'll need a friend
Only please don't lets pretend
A little love is all I ask
And that is all

-I-

I wanna spread my wings
But I just can't fly
Has a string of pearls
The pretty girls go sailing by

-II-

Ocean deep
Im so afraid to show my feelings
I have sailed a million ceilings
Solitary room
Ocean deep
Will I ever find a lover
Maybe he has found another
And as I cry myself to sleep
I know this love of mine I'll keep
Ocean deep

Now, can't you here when I call
Cant you hear the word I say
A little love is all I ask
A little feeling when we touch
Why am I still alone
Ive got a heart without a home
A little love is all I ask
And that is all

Repeat -I-
Repeat -II-
Im so lonely, lonely, lonely (ocean deep)
On my own in my room
Im so lonely
(Ocean deep)
Im so lonely, Im so lonely.
