"Soon It's Christmas"

The thought of you keeps haunting me
And it's your face I always see
Wherever I go, I always remember
Soon it's Christmas, yes, it's Christmas
But you're not here anymore

The last time it was us together
But we just can't make it last forever
What can I do each time I remember
Soon it's Christmas, ooh, it's Christmas again

CHORUS

Though the stars shine so bright
I just can't feel so right
If I can't find a way to be with you again on Christmas
day
Yeah yeah

[Repeat 2nd stanza]
[Repeat CHORUS except last line]
[Repeat CHORUS]

Soon it's Christmas, ahh
Soon it's Christmas, yeah ahh
Soon it's Christmas
[Fading]
