I just, can't tell
This feeling here inside me
I feel, so strange
Whenever you are near me
Everytime i see you pass i smile
But then you never seem to realize
Its for your eyes
If you would say hello
It would be nice
Chorus:
You're in my mind
Almost all the time
Every single minute all i do is think of you
And deep inside
In this heart of mine
I have to go on wishing till it's time
One day, you came
And you are oh so near me
I smiled, and then
You turn and did not see me
How am i supposed to get to meet you
What should i do
Your in my dreams, i feel it seems
That you don't feel it quite the way i do
Repeat chorus
Yeahhh heyyyy ohhh
Yes deep inside
In this heart of mine
I have to go on wishing till it's time
Repeat chorus
Yeaaaaahhh
Till it's time.....
