"Wait And Understand"

I saw you yesterday with another girl
When you looked my way
I just pretended I didn't see you
What else can I do

Chorus
You were all I've wanted
'Cause you just don't seem to care
You took me for granted
And I don't think it is fair
But my heart keeps telling me
That you'd be there for me
And I'll just wait and understand

When you looked my way
I just pretended I didn't see you
What else can I do

Repeat Chorus

But my heart keeps telling me
That you'd be there for me
So I'll just wait and understand

Ooh...
