WHAT LIFE IS ALL ABOUT

I

Isn't it right that we be together
Just like we've always been
Isn't it time that we start tomorrow
With what we have today

Refrain

Here we are, we live, we laugh and we cry
We share the dream someday we may find
A love that is true that will last for all time
It seems what life is (just) all about

II

Isn't it love we need to believe in
Whenever we're in doubt
It isn't hard to share what we're feelin
We just have to try

Refrain

CODA
