You were so fine when
You were walking down
My street what should I
Do since your gonna be
Living here on my street.

You got me going damn every
Time at the window(window)
That' when you pass by my
House I go damn! you got me
Damning.

That's because I want you
To be mine, be mine.
Just be mine, be mine
I wanna be there for you,
I wanna know if you love
Me too.
So please be mine.

Your all that I wanted forever
And even though you don't
Want me to get to you but I'm
Gonna try to break throw to
You cause baby I love you.

You got me going damn every
Time at the window(window)
That' when you pass by my
House I go damn! you got me
Damning.

That's because I want you
To be mine, be mine.
Just be mine, be mine
I wanna be there for you,
I wanna know if you love
Me too.
So please be mine.

You got me going damn every
Time at the

Window(window)
That' when you pass by my
House I go damn! you got me
Going damn every time at the
Window(window)
That' when you pass by my
House I go damn! you got me
Damning.

That's because I want you
To be mine, be mine.
Just be mine, be mine
I wanna be there for you,
I wanna know if you love
Me too.
So please be mine.
