Turn the lights off tonight
Dancing in the dark gonna be
Alright as you now know I'm
A crazy person that likes to
Have his fun

So don't take this away from
Me cause I wanna have my party.

Cause tonight were gonna
Party like animals.
Get a little crazy.

Cause I never miss a
Party in my life.
Cause tonight I'm gonna
Get crazy.
So let's get crazy get a
Little crazy, A little
Crazy.
Get A Little crazy
With me.
Get A Little Crazy.

Life I choose by my self
Cause that's just me.

So if your looking to have
A crazy time you found the
Party to have the fun of
