Virse 1:

I remember the day we fell apart.
I thought it wouldn't happened but I guess I was wrong.
I wanted to be the man you wanted, you wanted.
But i guess we worn't meant to be.
I want you to know that you are still with me.
And you are my number one love even if you broke my heart.

Chorus:

Before I say my final goodbye I just wanna tell you no matter
were you are I still love you.
I Looovve Yooou, I Love You.
Remember the fun we had cause I do... I remeber it.
Remember what I told you is that I Love You.
I Love You, I Love You. I still do.
I Love You.

Virse 2:

Everyday I still think of you cause even if we fell apart.
We can go back to were we where be for it was smashed into pieces.
Cause i don't wanna fall from this love.
Was it something I did or was it something I said to hurt you.
I blame myself for what happened to us.
Never again i'll hurt you, never again i'll make the same mistake.
I just wanna tell you that I am sorry.
I remember the day we fell apart.

Chorus:

Before I say my final goodbye I just wanna tell you no matter
were you are I still love you.
I Looovve Yooou, I Love You.
Remember the fun we had cause I do... I remeber it.
Remember what I told you is that I Love You.
I Love You, I Love You. I still do.
I Love You.

Chorus:

Before I say my final goodbye I just wanna tell you no
matter

were you are I still love you.

I Looovve Yooou, I Love You.

Remember the fun we had cause I do... I remeber it.

Remember what I told you is that I Love You.

I Love You, I Love You. I still do.

I Love You.
