I just can't stop thinking
About you.
Girl your just the one I
Wanna be with and all that
I need.

It drives me crazy to see
You walking around not
Holding my hand.
Your the one that I really
Wanna be with right now.

It's not a joke if I want
You to be mine.
It's not a joke if I care
For you.
It's not a joke since I
Love you.
It's not a joke, It's Not A
Joke.

Everything you do is so damn
Addictive, you make me wanna
Be yours right here, right
Now and I never wanna let you
Go.

I can't stop if I really love
You your the one that I really
Care for so long.

It's not a joke if I want
You to be mine.
It's not a joke if I care
For you.
It's not a joke since I
Love you.
It's not a joke, It's Not A
Joke.

I'll do anything just for
You cause your my

Everything.
And I really wanna get to
You and I want you to get
With me so please baby.

And I don't care if your
Friends hate me, I'm just
Trying to get with you.

It's not a joke if I want
You to be mine.
It's not a joke if I care
For you.
It's not a joke since I
Love you.
It's not a joke, It's Not A
Joke.

I just can't stop thinking
About you.
