Everytime I think of you girl
My head starts pounding like
I have a hangover.
Even when I look at you I
Get dizzy and start to
Fall down.

I get love sick everytime I'm
With you.
Your like my pill to ease my
Pain.

Cause you are my love drug.
Love drug, love drug, love drug.
I get so wasted when I'm
With you girl.
Cause you are my love drug,
My love drug, love drug, love drug.
That's when I'm with you, you
Get me so much better.

I can dream of you forever.
You'll be like my sandman
To bring me a dream.

I don't mind getting love sick
From you.
Cause you get me so damn
High that I can't stand it.
Cause your the one that I love.

Cause you are my love drug.
Love drug, love drug, love drug.
I get so wasted when I'm
With you girl.
Cause you are my love drug,
My love drug, love drug, love drug.
That's when I'm with you, you
Get me so much better.

So girl just take it off and show
The passion you have for me.

Everywhere I go I just wanna be
With you.

I get love sick everytime I'm
With you.
Your like my pill to ease my
Pain.

Cause you are my love drug.
Love drug, love drug, love drug.
I get so wasted when I'm
With you girl.
Cause you are my love drug,
My love drug, love drug, love drug.
That's when I'm with you, you
Get me so much better.
