I'm sorry for what I did
I know it wasn't right,
Wasn't cleaver of me give
Me one minute to explain
How this happen.

I know what I did wasn't
Right but can't you see
That I still want you.
Back I don't care if your
Still mad at me.

Give me one more chance
Before you leave me, cause
I'm sorry for what I did
To hurt your feelings.
Please give me a chance
To make it better for
The both of us.
With a chance.
One More Chance.

Baby I'm sorry because I
Know what I did with that
Girl would break you I
Thought when you said we
Need a break we leave each
Other forever.

I guess I was wrong for
Thinking like that maybe
You are better without
Me but we both know that
We still love each other.

Give me one more chance
Before you leave me, cause
I'm sorry for what I did
To hurt your feelings.
Please give me a chance
To make it better for
The both of us.

With a chance.
One More Chance.

I wanna make things right
Just for you and me cause
Baby I would give anything
For one more chance.

I beging you please let me
In I don't wanna lose you
So please, please I don't
Wanna hit the bottomless of
No return, so please.

Give me one more chance
Before you leave me, cause
I'm sorry for what I did
To hurt your feelings.
Please give me a chance
To make it better for
The both of us.
With a chance please.
One More Chance.
Just one more chance.
