The fun things that take
Me there, they all way's
Rock my world that's when I
Go to far and I end up waking
Up in the bathroom tub

Maybe I'm crazy maybe I
Need rehab.
I don't care I'm gonna keep
Doing it again.

That's No fun when they
Kill my fun zone but I don't
Care I'll keep on
Doing it.
That's no fun when they
Say I had enough that's
No fun when they say it
To me.
That's no fun, that's no
Fun, that's no fun.

Every night I go out just
To see if I can get in trouble
For the first time in my life
But it seems I can't cause
I to good to be bad.

That's the way I want
It, gonna try to be a little
Different stead of all way's
Following the rules but
They say that I need to
Follow the rules.

That's No fun when they
Kill my fun zone but I don't
Care I'll keep on
Doing it.
That's no fun when they
Say I had enough that's
No fun when they say it

To me.
That's no fun, that's no
Fun, that's no fun.

So don't shattered my
Fun cause I'm ready to
Party all night.

So come on and just get
Crazy with me and have
A lot of fun no need to
Be a kill joy

That's No fun when they
Kill my fun zone but I don't
Care I'll keep on
Doing it.
That's no fun when they
Say I had enough that's
No fun when they say it
To me.
That's no fun, that's no
Fun, that's no fun.

I'm gonna have fun now
