I lie in my bed thinking
Of you. wondering what should
I do should I get up to go
And see you or just lie here
And think of you all day.

I thought I would never fall
In love with you.
But I guess I was wrong for
Thinking like that.

But I guess you got to me.
The way you smile and how you
Look girl.
You got to me from my heart.
You got to me.
That's why I keep thinking
Of you...
Cause you got to me.

I thought I would never
Fall in love with you.
But I guess I was
Wrong for thinking like that.

I guess it's destiny that wants
Us together...
So there nothing to ose on each
Other. But when I look on,
The other hand and I
See how perfect you are
When I look at you.

Cause how much I love you and
How much you love me.
So I guess we both love each other.

But I guess you got to me.
The way you smile and how you
Look girl.
You got to me from my heart.
You got to me.

That's why I keep thinking
Of you...
Cause you got to me.

But I guess you got to me.
The way you smile and how you
Look girl.
You got to me from my heart.
You go to me.
That's why I keep thinking
Of you...
Cause you got to me.

Everything you do, I just really love you.
Cause You got to me from my heart,
My heart.
You got to me in every way.

You Got To Me, You Got To Me.
You go to me.
That's why I keep thinking
Of you.

Cause you got to me.
