Its the wrong time and the wrong place  
Though your face is charming it's the wrong face  
Its not her face but it's such a charming face  
That it's alright with me

Its the wrong song in the wrong style  
Though your smile is lovely it's the wrong smile  
Its not her smile but it's such a lovely smile  
That it's alright with me

You can't know how happy I am that we met  
Im strangely attracted to you  
There's someone Im trying so hard to forget  
Don't you want to forget someone too

Its the wrong game with the wrong chips  
Though your lips are tempting they're the wrong lips  
They're not her lips but they're such tempting lips  
That if some night you're free  
Its alright with me
