All my rowdy friends have settled down and it seems to  
be more in the laid back songs.

Nobody wants to get drunk and get loud. Everybody just  
wants to go back home.

I myself have seen my wilder days and I have seen my  
name at the top of the page,  
but I need to find a friend just to run around. But no one  
wants to get high on the town  
and all my rowdy friends have settled down.

And I think I know what my father meant when he sang  
about a lost highway and old George Jones I'm glad to  
see he's finally getting straight,  
and Waylon staying home and loving Jesse more these  
days,  
and nobody wants to get drunk and get loud and all my  
rowdy friends have settled down.

and the hang overs hurt more then they used to and  
corn bread and ice tea took the place of pills and  
ninety-proof,  
and it seems like none of us do things quite like we  
used to do  
and nobody wants to get high on the town and all my  
rowdy friends have settled down.

Yeah I think I know what my father meant when he sang  
about his lost highway and Johnny Cash don't act like  
he did back in '68  
and Kriss he is a movie star and he's moved off to L.A.  
and nobody wants to get drunk and get loud and all my  
rowdy friends have settled down

yeah me and my rowdy friends have rowdied on down.
