"I Got A Past
That'll Last Me Forever
And Enough Memories For One Man's Life (That Is True)
The One I Love
She Ain't Comin Back Ever
So It Looks Like I've Got My Future On Ice

Chrous:
I Got Bottles and Cans
That Just Left my Hand
And A Chill To Just The Right Fahrenheit
O Love Let me Down
Now A Truer Friend I've Found
Why I've Got My Future On Ice

There Was A Time
She Was my One and Only
Until Someone Else Caught Her Eye
Then For Awhile,
Can You Believe I Was Acting So Lonely?
Now I've Got My Future On Ice

Chrous:
I Got Bottles and Cans
That Just Left my Hands
And A Chill To Just The Right Fahrenheit
Yes Love Let me Down
Now a Truer Friend I Found
Now I've Got My Future On Ice

O Love Let Me Down
Now A Real True Friend I Found
Why I Got My Future On Ice
