Mothers against drunk drivers, The Pope is against the
pill
The union's against the workers, Working against their
will
The President's against the Congress, The Senate is
against the House
People are against politicians, And I'm against cats in
my house

But I'm for love and I'm for happiness
And I'm for "if you don't like it can't you just let it pass."
And I'm for turning off the news and turning down the
lights
'Cause I'm for nothing else but me and you tonight

The cities against the county, The county's against the
state
The state is against the government, And the highways
still ain't paved
The banker's against the farmer, The farmer's against
the wall,
Doctors against me smoking, And the devil's against
us all

But I'm for love and I'm for happiness
And I'm for "if you don't like it can't you just let it pass."
And I'm for turning off the tube and turning down the
lights
'Cause I'm for nothing else but me and you tonight

The cops are against the robbers, The laws are against
the cops
Justice is against the system, And some people are
blowing their tops
The horse is against the automobile, The bus is against
the train
The train is against the jumbo jet, And I'm against
fishing in the rain

But I'm for love I'm all for happiness
And I'm for "if you don't like it can't you just let it pass."

And I'm for turning off the tube; turning down the lights
And I'm for nothing else but you and me tonight

Hey, I'm for love I'm all for happiness
And I'm for not looking for something to make us mad
I'm all for turning off the news and turning down the
lights
And I'm for nothing else but you and me tonight
