Old flame new fire let the good times roll while the fire
burns out of control

Hello honey (how you doin') it's so good to see you

You can kick your shoes off you can let your hair down

Baby you're lookin' so good just like I knew you would

Old flame new fire burnin' so hot cause we got a whole

believer

I'm gonna spend your loving like money from home

You and me together ah we can make a good thing
better

Can't do no wrong honey child from now on

Old flame new fire burnin'...
