Lyrics~ Hank Williams Jr."Outlaw Women"

She works in the bank and she works in the store

And she don't go for that old stuff anymore

She likes to get high and listen to the band

She likes to make love to her kind of men

These outlaw women first of their kind outlaw women
they got here right on time

Outlaw women they don't need any guns outlaw women
just out for fun

In many ways she's a lot like me she don't give a damn
'bout society

Might be a little rich girl she might be poor

She Might be a married woman that needs a little more

Yeah.. she's a outlaw woman first of her kind

These outlaw women ridin' high in seventy-nine

These outlaw women don't need any guns these outlaw
women just out for fun

Some Call her a Lady

Some call her other names

But you won't ever call her that around me and my
gang....
