"To Love Somebody"

There's a light,
certain kind of light,
that never shines on me,
I want my life to be lived with you ,
I want to live with you.

There's a way, everybody say,
to do each and every little thing,
but what does it bring if I ain't got you,
if I ain't got you baby

You don't know what it's like ,
baby you don't know what its like,
to love somebody,
to love somebody like I love you

There's a brain.
I see your face again and I know my frame of mind.
You ain't got to be so blind,
because I'm blind so very blind.
But Babe I'm a man.
Can't you see that I am.
I live and I breathe for you.
What good does it do?
Cause I ain't got you,
I ain't got you baby!

You don't know what it's like,
Baby you don't know what it's like to love somebody,
to love somebody,
like I love you.
You don't know what it's like, baby,
you don't know what it's like to love somebody,
love somebody like I love you.
Baby you don't know what its like, baby,
you don't know what it's like.....
