### **"First Time Ever I Saw Your Face"**

The first time ever I saw your face  
I thought the sun rose in your eyes  
And the moon and stars were the gifts you gave  
To the dark and the empty skies, my love,

The first time ever I kissed your mouth  
I felt the earth move in my hand  
Like the trembling heart of a captive bird  
That was there at my command, my love

And the first time ever I lay with you  
I felt your heart so close to mine  
And I knew our joy would fill the earth  
And last till the end of time my love
