

Jr. Harry Connick "It's Alright With Me"

Its the wrong time and the wrong place
Though your face is charming it's the wrong face
Its not her face but it's such a charming face
That it's alright with me

Its the wrong song in the wrong style
Though your smile is lovely it's the wrong smile
Its not her smile but it's such a lovely smile
That it's alright with me

You can't know how happy I am that we met
Im strangely attracted to you
There's someone Im trying so hard to forget
Don't you want to forget someone too

Its the wrong game with the wrong chips
Though your lips are tempting they're the wrong lips
They're not her lips but they're such tempting lips
That if some night you're free
Its alright with me
