I'm painting pictures in my mind  
A thousand colors are aligned  
In perfect harmony they start to blend  
Until the end of time  
A sky that's picture perfect blue  
I've never seen that kind of you  
And when I close my eyes I see you there  
I start to share  
I'll give you anything I never shared  
You'll always be  
One in a million but the one for me  
Illuminating every sky  
Until the angels wanna cry  
Is never anything but ecstasy  
When you are close to me
