I just made an appointment
For a special rendez-vous
To see a man of miracles
And all that he can do

I checked in at reception
Put my hat onto my lap
And when he walked in dressed in white
I had a heart attack

My eyes went ooh
My voice just cooed
My mind let loose
I'll stay forever, it's up to you

(Dabedebedibedabedudohdoh)

Doctor I want you
Mmm, my Doctor Wanna Do
I can't get over you
Dr. Do anything that ya Wanna Do
Doctor I want you
Mmm, my Doctor Wanna Do
I can't get over you
Dr. Do anything that ya Wanna Do

I sat down and I waited
'Til I heard my name get called
It's like I'm at the races
And I think I won them all

He asked me to step forward
First I caught my breath, and ran
For endless observation
In the hands of Superman

My eyes went ooh
My voice just cooed

My mind let loose
I'll stay forever, it's up to you

(Dabedebedibedabedudohdoh)

Doctor I want you
Mmm, my Doctor Wanna Do
I can't get over you
Dr. Do anything that ya Wanna Do
Doctor I want you
Mmm, my Doctor Wanna Do
I can't get over you
Dr. Do anything that ya Wanna Do

Come over here and give me some medicine
Move a little closer so my head can spin
A little bit of potion makes my fever go
Get it out of me me like a volcano

My eyes went ooh (uhuh uhuh)
My voice just cooed (you know it)
My mind let loose
Mmm, Dr. Love

(Dabedebedibedabedudohdoh)

Doctor I want you
Mmm, my Doctor Wanna Do
I can't get over you
Dr. Do anything that ya Wanna Do
Doctor I want you
Mmm, my Doctor Wanna Do
I can't get over you
Dr. Do anything that ya Wanna Do
