[Verse:]

He kinda looks a little ordinary
But no, he's kinda shy
A little work and I think that I could easily change his
mind
Give him a wing, romantic play
I start to break him down
You know I had an atrifcoo 'cause it wanna leave it all
now

[Chorus:]

Tell me how long until you say you love me
Tell me how long until you say you're mine
Call me morning, noon or night
I make it rain or shine
Tell me how long until you say you're mine

[Verse:]

I really like the differences you bring when you arrive
You didn't tell your wife you're here and baby that's
alright
It'll be our secret, keep it under lock and key
But when you say you miss her
You really mean missing me

[Chorus:]

Tell me how long until you say you love me
Tell me how long until you say you're mine
Call me morning, noon or night
I make it rain or shine
Tell me how long until you say you're mine

[Bridge:]

A one night affair could last longer if you dare
Just me over here
And you over there
So hey be good and tell me are you scared
Well you keep looking at me over there

[Chorus:]

Tell me how long until you say you love me

Tell me how long until you say you're mine
Call me morning, noon or night
I make it rain or shine
Tell me how long until you say you're mine
