[Verse:]

Presence, elegance, an unmistakable dominance  
Behind those steely eyes  
Anything you know is coincidence  
No one seems to know anything about his age, just his  
name  
He's always dressed for fame  
Uh, the keyser is the maestro

[Chorus:]

Let it go, dream a bit  
To wear a garment so delish  
I'd be out of my mind  
The slightest designs, the ultimate chemist  
Even you ing?nue  
A gift he can't buy from you  
But if I had to pay I'd sure find a way to break the bank  
I'd break the bank that day

[Verse:]

Ladies, his designs make the words fall out of a  
pantomime  
Colors, how they flow, go from avant-garde to beyond  
sublime  
History and mystery, he stops the hands of time  
The magic skin is mind  
'Cause the keyser is the maestro

[Chorus:]

Let it go, dream a bit  
To wear a garment so delish  
I'd be out of my mind  
The slightest designs, the ultimate chemist  
Even you ing?nue  
A gift he can't buy from you  
But if I had to pay I'd sure find a way to break the bank  
I'd break the bank that day

Uh he is a maestro  
He is a maestro  
Maestro, maestro,
