Come and get a scoop of my ice cream, baby  
JS got the flavors that I know will drive you crazy  
Tonight it's gon' be like we were streamin', baby  
Won't you taste my ice cream  
Baby, you know I've got all the flavors that you want  
Plus I got all the skills that I need to turn you on  
Vanilla, strawberries, chocolate, baby boy, it's on  
Now tell me can you picture my body on a cone  
Baby, come lay your body right here I wanna ride  
Switch it up, turn it around, now come and get inside
