\*\* Originally issued as charity single

[Hit me  
Come on]

## CHORUS

Let's talk about sex, baby  
Let's talk about you and me  
Let's talk about all the good things  
And the bad things that may be  
Let's talk about sex  
Let's talk about sex  
Let's talk about sex  
Let's talk about sex

Yo, let's talk about AIDS (go on) to the unconcerned  
and uninformed  
You think you can't get it? Well you're wrong  
Don't dismiss, dis, or blacklist the topic  
That ain't gonna stop it  
Now if you go about it right you just might save your  
life  
Don't be uptight, come join the fight  
We're gonna tell you how you can get it and how you  
won't  
All of the do's and all of the don't's  
I got some news for you so listen, please  
It's not a black, white, or gay disease  
Are you ready, Pep? Yeah, I'm set  
All right then, come on, bet

## CHORUS

[So if you do come up HIV positive (mmm-hmmm) or  
have AIDS (yeah)  
We just want you to know (what?) that there are  
treatments (that's right)  
And the earlier, the sooner, detected the better off  
you'll be  
Tell 'em please  
Hey, yo, Pep, you get checked?

Yep, every year, G]

Now, you don't get AIDS from kisses, touches,  
mesquito bites, or huggin'  
Toilet seats, telephones, stop buggin'  
You get it for sex or a dirty drug needle  
Anal or oral now, people  
Women can give it to men and men mostly to women  
The facts are simple, right and exact  
And once you get it, there's no turnin' back for you  
There ain't a cure so you gotta be sure  
Protect yourself or don't have sex anymore  
Mothers might give it to their babies through the womb  
Or through birth, don't be an ass and assume  
AIDS ain't got no smell or taste  
It don't care about your race  
You see a nice, kind face - you think you're safe?  
I'm sorry, that's just not the case  
There's no debate, conversate with your mate  
And don't wait until it's too late

#### CHORUS

Ladies, all the ladies, louder now, help me out  
Come on, all the ladies - let's practice safe sex, all right  
(repeat)

[Yo, Salt...  
What?  
You know what else will stop the spread of AIDS?  
Unh-huh  
If everybody stop cheating and messing around and  
just stay with one person  
...And wear condoms]
