Sexy noises turn me on and on

Talk to me and you can't go wrong

I love the sound of your voice when you make love to me

And you caress my lips with your tongue

Love it when you whisper down my ears (oooo, baby)

Love it when you breathin' down me face (oooo, baby)

Love it when you rub down me spine (oooo, baby)

Love it when we drink white wine (oooo, baby)

Sexy noises (talk to me) really turn me on (tell it to me, baby)

Sexy noises (talk to me) really do turn me on (tell it to me, baby)

Sexy noises (talk to me) really turn me on (tell it to me, baby)

Sexy noises (talk to me) really do turn me on (tell it to me, baby)

Now tell me, baby, how many hints must I make before you get the picture

That I like it when you talk to me? You say it loud what you say

Don't shy away, say it to my face, talk sweet to me

Go up and down and go round and do all that

But don't forget that I'm a sister with a thing for the sound

So make a sexy noise when you're on your way down

Yeah, all the way down

Sexy noises (talk to me) really turn me on

(I love it when you talk to me)

Sexy noises (talk to me) really do turn me on

(I love it when you talk to me)

Do anything you like, and do it just how you like it

But when you feel you wanna scream, baby, don't fight  
it

Cuz everytime I hear the noise comin' from your lips

You're gonna feel the rotation in my hips

Cuz it's that sexy noise that moves me

And don't stop the lyrics if you don't wanna lose me

Because I wanna know, lover, if I'm doin' it well

But if you don't yell, brother, how can I tell?

Sexy noises turn me on and on

Talk to me and you can't go wrong

I love the sound of your voice when you make love to  
me

And you caress my lips with your tongue

Now Missy Pepa say she wanna have fun

She comin' down me house and ????

I love it when she caress me ears with her tongue

Cannot find words to tell her "Oh, me have fun"

And everytime she touch me and she start rub me  
down

It drive the body crazy when she make sexy sound - like

that!

Talk to me, mmm-hmmm, ah yeah

Sexy noises (talk to me) really turn me on

Sexy noises (talk to me) really do turn me on

I'm lovin' the way you do me cuz you do me real swell

Come on and make some noise though, go 'head, what the hell?

It's just me and you, and ain't nobody else down

So what's up, big man, give it to me right now

You wonder why I faint and swing with ya, don't ya?

Well come and make some noise for me, please, baby, won't ya?

Go, baby, go when you come into my house

S'matter? Cat got your tongue? Boy, open up your mouth

Sexy noises (talk to me) really turn me on

(I love it when you talk to me)

Sexy noises (talk to me) really do turn me on

(I love it when you talk to me)

Sexy noises (talk to me) really turn me on

(I love it when you talk to me)

Sexy noises (talk to me) really do turn me on

(I love it when you talk to me)

Sexy noises (talk to me) really turn me on

(I love it when you talk to me)

Sexy noises (talk to me) really do turn me on

(I love it when you talk to me)

[Mmmm, oh, damn, baby...

You know you gotta wear a condom, right?]
