We can't even be friends  
'Cause every time I see you  
We be doing things that we should not be doing  
'Cause boy, you got a girlfriend  
Even though the sex is so damn good  
I feel so bad, gotta try my best to resist it

What am I doing here?  
That's what I ask myself  
'Cause every time I see my face in the mirror  
I see me and you and someone else

Now your love, it gets me high  
And I don't wanna let you go  
But I got to say bye-bye, baby

Now your love, it gets me high  
And I don't wanna let you go  
But I got to say bye-bye, bye baby

Girl, you don't stop  
And you don't quit  
Girl, you don't stop  
Niggaz make me sick

We can't even hang out  
'Cause boy, the more we kick it  
The more I feel like this is not what it's all about  
Boy, you're already taken  
And although I love you, I hate the fact  
That she is with you while I play the kickstand

What am I doing here?  
That's what I ask myself  
Every time I see my face in the mirror  
I see you and me and someone else

Now your love, it gets me high  
And I don't wanna let you go  
But I got to say bye-bye, baby

Now your love, it gets me high

And I don't wanna let you go  
But I got to say bye-bye, bye baby

Just being one of your girls won't do, it won't do  
'Cause eventually, eventually  
I'm a want all of you, I'm a want all of you  
I just gotta be real with myself, I got to be real  
Gotta cut it off, oh boy  
Though it's hard for me to brake up with you

Now your love, it gets me high  
And I don't wanna let you go  
But I got to say bye-bye, baby

Now your love, it gets me high  
And I don't wanna let you go  
But I got to say bye-bye, bye baby

Now your love, it gets me high  
And I don't wanna let you go  
But I got to say bye-bye, baby

Now your love, it gets me high  
And I don't wanna let you go  
But I got to say bye-bye, bye baby

Now your love, it gets me high  
And I don't wanna let you go  
But I got to say bye-bye, baby

Now your love, it gets me high  
And I don't wanna let you go  
But I got to say bye-bye, bye baby  
Now your love, it gets me high
